SUBJECT: CENTER LANE (U)--ACTION MEMORANDUM

d. (S/CL-1/NOFORN) It is anticipated that discussion between INSCOM and the above organizations will result in a Memorandum of Agreement transfering all CENTER LANE activity outside of INSCOM, while insuring that research and operational capabilities are protected and the people involved are reassigned on an equitable basis.

3. (S/CL-1/NOFORN) Recommendation: That the Secretary of the Army approve the INSCOM concept for discontinuing involvement with psychoenergetic research and operations and transferring CENTER LANE functions.
